Pearl River Regional Band Clinic

January 8, 2016

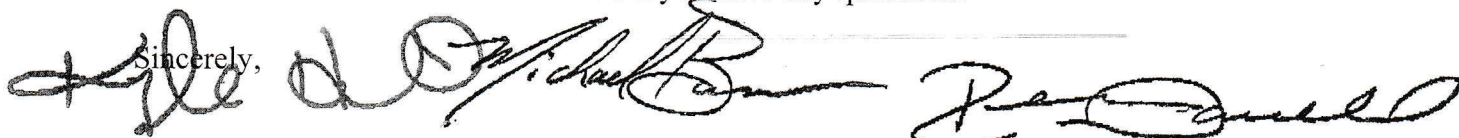

Dear Director:

Plans are currently underway for the annual Pearl River Regional Band Clinic. The Clinic will again use the list selection format in order to provide all schools with an equal opportunity to participate. Selection will be determined by instrumentation needs.

Enclosed you will find a student list to be completed and returned by Thursday, January 28, 2016. **Please list students in the order that you would like them to be chosen**, not in score order. You may use regular mail or e-mail to return your student lists. We will notify you of the students selected shortly thereafter. The dates for this year's clinic are Friday, February 19 and Saturday, February 20, 2016. The cost of the clinic will be \$25.00, which includes the cost of lunch on Saturday. Audition information and a clinic schedule are included in this mailing.

As always, your support and input is welcome. If you know of any other directors who would like to attend but did not receive a letter, please extend them an invitation and a copy of this letter and form. Please contact us if you have any questions.

Sincerely,

Kyle Hill, PhD.
Director of Bands
